Program: Anne Archibald

Program was Project New Hope. Bruce Billington of CrossLake spearheads this group that gives counseling support to veterans. The Project has won national recognition from Lions Clubs because of their good work. They sponsor family retreats that address subjects such as suicide of vets, women warriors and their situations and survivor guilt. They help families re-connect after returning from battle. They receive no government financial support. It is Bruce's goal to be nationwide with this program.. Good program and a riveting subject.

Thank you, Peter, for the notes.

Respectfully submitted,
Jim Dehen
